Postlude As We Exit

*** Denotes that you may please stand if able**

The Offering: You will be given an opportunity to give an offering as you leave the sanctuary tonight. There will be people placed with offering plates at each exit. Every year, the offering is for the special community services as well as the benevolence that the Imlay City Ministerial Association provides to the community. The Imlay City Ministerial Association puts on the Community Good Friday Service, the National Day of Prayer Service as well as the Baccalaureate Service at the high school. The IC Ministerial Association also helps a variety of high need situations throughout the year from this fund. Please generously support this fund tonight as you exit the sanctuary.
